

Business Law for Doctors & Dentists

From employment agreements . . .

To starting, buying or selling a practice . . .

To preparing for retirement . . .

We understand the unique challenges health care professionals face in a rapidly changing business and legal environment.

We represent physicians, dentists, veterinarians and other healthcare professionals in business and transactional matters. We provide sophisticated counsel on the many corporate, business, tax, and regulatory issues that arise in connection with the full range of transactions and business arrangements they enter into over the course of their careers.

Our areas of expertise include:

Acquisitions and Sales
Succession Planning
Choice of Entity/Formation
Limited Liability Companies
Buy/Sell Agreements
Contract Negotiation
Joint Ventures

Employment Agreements
Lease Review and Negotiation
Space Sharing Arrangements
Partner/Shareholder Disputes
Regulatory Compliance
Tax Planning
Immigration
